BLEEDING FOR A CAUSE: BLOOD DONATION
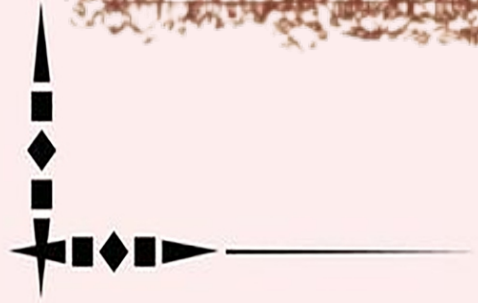

- The college boasts a robust system that encourages students to donate blood at nearby medical colleges and hospitals.

- A Blood Donors Forum operates within the college, overseen by two dedicated teachers, to facilitate this noble cause.

- Upon admission, the forum collects blood group information from new students. It also organizes blood identification camps for those whose blood groups are not yet determined.

- Utilizing this data, the forum maintains and regularly updates a comprehensive blood directory, with separate versions available in college hostels.

- Innovative software featuring a UT code system has been developed to efficiently match donors with recipients based on blood type.

- Detailed records of all donors are meticulously kept, and participating students receive attendance relaxations as a form of recognition.

- The forum not only coordinates blood donation drives but also hosts educational sessions with expert speakers to raise awareness about the importance of blood donation.

- Thanks to the Blood Donors Forum, around 500 students annually volunteer to donate blood, significantly aiding emergency patients. This commendable effort has been recognized by local medical colleges and hospitals, which have expressed their gratitude through appreciation letters to the college.

- Students get rid of their fear for blood donation, proud of being a life saver.

REPORT ON THE BLOOD SCREENING & AWARENESS CLASS AT GOVT. HSS PARAMBIL BAZAR, KOZHIKODE

Blood donation is a crucial aspect of healthcare and saving lives. College Blood Donors Club is vigilant and always available to cater blood emergencies. Encouraging more students to donate blood can help to alleviate blood shortages and ensure that patients have access to the blood products they need. 2022-2023 academic year has met several blood requirements. A community that is willing to donate helped to satisfy the blood requirements. Beside blood donation the club also organised blood screening and awareness class to extend the services to society.

Report on the blood screening & awareness class conducted on 21st June 2022 at Govt. HSS Parambil Bazar, Kozhikode

St. Joseph's College Blood Donation Forum in association with Malabar Hospital, Eranjipalam, conducted medical camp and health awareness talk at Govt. HSS Parambil Bazar, Kozhikode, among the students and the parents on 21st June 2022 from 2pm to 4:30pm. This was the first program conducted by the forum during the academic year 2022-2023.

The camp was inaugurated by Mrs. Deepthi Divakaran, Principal, Govt. HSS Parambil Bazar and was presided by Mr. Santhosh Kumar, PTA President. The awareness class on "Lifestyle diseases and adolescent health" was led by Dr. Sangeetha, MBBS, DGO, Malabar Hospital. Dr. Sangeetha started the session mentioning the importance of the health, later extended to lifestyle diseases- Obesity, PCOD, Cancer. Extra care was given to spread awareness on personal and menstrual hygiene. The session came to an end after doubt clearance. The talk was informative and self-assessing. Students reflected on their eating habits and imbibed the necessity of exercise and staying fit. The crowd was well aware on COVID and the need of getting vaccinated. The one-hour talk covered all major issues that needs to be known by an adolescent. Ms. Sunisha, Psych-social counsellor delivered vote of thanks.

After awareness talk, registration counter was opened for medical camp. The camp was equipped to check blood pressure, glycemic status, and screen blood group.

Students and parents together of 120 in number availed the services of camp. The curiosity of students to know their blood group was a delight to watch. By the end of camp, the satisfaction of serving needy group filled our hearts. The cooperation of school management- PTA and hospital administration made the medical camp successful.

When the world is finally coming back to normal, promoting healthy lifestyle to the people is really important. We are living in a world where we can expect anything. The COVID has really affected our health and immunity. The forum look forward to do more programs of similar kind with a much more extended group in near future. The success of our first venture has given us hope and enthusiasm to carry out more socially relevant activities.

Setting-up of directory containing Blood group details

The observation of World Blood Donors Day, 14th June 2022, Monday, was done by setting up an e-directory containing student blood group and contact details. The theme for the year was "Donating blood is an act of solidarity. Join the effort and save lives". The action of establishing a directory marked the first step to practice the theme. This herculean task was pulled in association with NCC Navy wing. Questionnaires were circulated among students in the form of google form. The circulation was done by forwarding the link to department heads and later to students. Complete submission was ensured and the data was sorted according to blood groups and was handed over to the coordinators of Blood donors club. Dr. Jisha Jacob and Mr. Joice Tom J. The same became very handy during the emergency requirement for negative groups. This also helped to fulfill the direct negative blood group requirements during the holidays. The club place immense gratitude to the volunteers of blood donors club, NCC cadets and Dr. Shinto for their effort in collecting data from all departments of college.

SWAYAMPOORNA

(Social Extension Programme 2021-22)

A social extension programme in association with Peruvayal Gramapanchayath (2022-23)

സ്വയംപൂർണ

Department of Computer Science,
St. Joseph's College (Autonomous) Devagiri,
Kozhikode

INTRODUCTION

"Swayampoorna" is an E-literacy campaign conducted with a tie up between **Peruvayal Gramapanchayat and Department of Computer Science, St. Joseph's College, Devagiri.** The intended social extension activity was to provide awareness to common people about the various e-services provided by the Govt. of Kerala. The Peruvayal Grama panchayat aimed to make the ward members e-literate and make the panchayat first **e-literate Panchayat** in the state of Kerala. It was conducted as several stages and the initial stage commenced on 17th May 2022 and lasted till 31st May 2022.

The Department has assigned Mr.Kanuprasad (Asst. Professor in Computer Science) and Mr. Tegil Joseph John(Asst. Professor in Computer Science) as staff coordinators of the event. Mr Drupad Mohandas (I year BSc CS) was appointed as the student coordinator.

The training sessions were handled by the **first year BCA & B.Sc. CS students of the college**. The students were divided into **12 groups**, each consisting of six to nine members. Each team covered 12 to 15 hours of classes within a span of 3 days divided into two sections each day. Students went to remote locations within different wards of Peruvayal Gramapanchayat and took classes in pre-assigned locations. This interactive session conducted by the students covered various topics such as tax payment, accessibility to various e- Services of the Government, general awareness and exposure to different payment gateways. The people, officials and governing body of Peruvayal Panchayat were very enthusiastic about the whole event and actively participated in the event.

As per the feedback from the attendees which was received after the classes, the whole campaign was a huge success. It helped them to use the e-services more efficiently from the comfort of their house using their smart phones.

Activity: 1
**INAUGURATION**
Date: 05/04/2022
Venue: Peruvayal Grama Panchayat Office

The inaugural ceremony of the Social Extension Programme "**SWAYAMPOORNA**" was held at the **Peruvayal Grama Panchayath Office on 6th April 2022**. The program was inaugurated by Kunnamangalam Block Panchayath President **Mr Babu Nellooli.** Peruvayal Panchayat President **Suhrabi MK** presided over the function. The Dignitaries on the Dias were **Fr. Sunil .M. Antony** (Director, St. Joseph's College, Devagiri), **Dr Sanathanan Velluva**(Academic Coordinator-Self Financing, St. Joseph's College, Devagiri), **Ms Asha Unnikrishnan** (HoD Computer Science Dept. , St. Joseph's College, Devagiri), **Aneesh Palat** (Vice President, Peruvayal Panchayath), **M. Biju** (Peruvayal Panchayat Secretary) ,**N Aboobacker** (Kunnamangalam Block Panchayat Standing Committee Chairman)

Ms Asha Unnikrishnan spoke about various technological developments in the field of computer science and the need of e-literacy to common man. The logo release of "**SWAYAMPOORANA" & "VISTARA**" was done by **Fr. Sunil M Antony** and **Dr Sanathanan Velluva** respectively.

The Panchayat Standing Committee Chairpersons Subitha Thottanchery, PK Sharafuddin, K.S. Seema Harish, Block Panchayat members TP Madhavan, K Ashwathy, PP Jaffer, and MM Prasad addressed the gathering and emphasised the importance of creating e-awareness for the common man. They remarked that public must to be aware of the various e-services provided by the government.

The campaign focuses on providing training sessions for the common people which help them to open up their accessibility to various **e- Services of the Government**. In addition to this, the Software Club of the CS department is developing a user-friendly mobile application named '**Vistara'**. It is a software with easy access of the e-services with instructions in Malayalam, which is developed for the members of the Peruvayal Panchayath. The people can have easy access these services directly through their mobile phones.

TRAINING SESSIONS FOR EACH WARD
Date: 17/05/2022 TO 31/05/2022
Venue: Various locations in Peruvayal Panchayat

The Students of Department of Computer Science were divided into 12 groups. Each group had two leaders appointed to lead the rest of the members.

'Swayampoorna', the social extension programme of the department in association with 'Peruvayal Grama Panchayat', commenced on 17th may 2022. The programme was scheduled into 12 days with two sessions each day. The morning session was scheduled from 10 AM to 12.30 PM and the afternoon session was from 2 PM to 4.30 PM.

All the students of the department got equal opportunity to involve and provide training sessions. Each day three groups were assigned to handle two session each. Every group was accompanied by a faculty of the department.

Forty four training sessions were conducted which covered 22 Wards in Peruvayal Grama Panchayat. About 300 participants of different age groups (from teenagers to senior citizens) attended the training sessions. All these participants were very active throughout the session and individually practised and noted down the important information given during the training. Doubts raised by the attendees were discussed and cleared.

The students and the faculty members did their best to overcame all the troubles related to internet connectivity issues and were able to successfully conclude each and every session. After the sessions the feedback was given by the participants and remarked that the sessions were very informative.

CONCLUSION

The Department of Computer Science as part of their social extension programme in the academic year 2021-22 conducted an e-literacy campaign in Peruvayal GramPanchayath.

We could conduct 44 training sessions which covered 22 wards of Peruvayal Gramapanchayat. About 300 participants of different age groups attended the training sessions. The students of the department actively took part in designing the contents of the module, presentation and hands on sessions.

The training sessions was handled by the students of the department provided in 22 wards under the Peruvayal Grama Panchayat

Over a time period of 2 weeks 44 sessions were held in 22 wards. An average of 16 people attended the sessions and gave a very good feedback .

MEMORANDUM OF UNDERSTANDING

This agreement for services entered into the effect of

15th Nov 2022

Between

District Collector, Kozhikode;

District Social Justice Department

(Hence called 1st party)

&

St. Joseph's College (Autonomous), Devagiri

Represented by the Head of the College

(Hence called 2nd party)

Whereas, the sole purpose of this memorandum of understanding is to ensure a comprehensive care and development to the inmates of the welfare homes under the social justice department through cooperation between 1st party and 2nd party via the Happy Hill Project Initiative.

In a country like India where family ties are greatly valued, it is the basic unit for providing welfare to its members. Circumstances like poverty, unemployment, mental illness, abandonment, violence, substance abuse, health problems, destitution, exploitation and old age issues have weakened family ties and families have become inadequate in terms of providing care and protection to its members. In such a situation, the State is responsible for ensuring essential care, protection and opportunities for its citizens to ensure the safety and well-being of its people. Welfare programs can be generally termed as the government support for the well-being of people, these programs provide financial aid to individuals or groups who cannot support themselves and helps people to cope with rough periods of their lives. The ultimate goal of welfare is to provide a better standard of living by helping and empowering the underprivileged sections of the society. If these sections of people are not properly taken care of and efforts are not taken to make them self-sufficient, independent, creative and productive. It can be said as the denial of the rights of citizens and also a waste of human resource which is the core strength of any society. A developed nation or welfare state provides "A good present and a better future" for all its citizens.

In Kerala, the Department of Social Justice and its allied agencies are involved in addressing the problems of social security and welfare. The Social Justice Department was established on 9th September 1975 for ensuring justice to the disadvantaged sections of the society for the implementation of social welfare programmes and services in Kerala. On 2017 the Department of Women and Child was established bifurcating the Social Justice Department for ensuring the holistic, physical, psychological, cognitive and emotional developments of Women and Children. There are presently 78 welfare institutions under the aegis of the Social Justice Department (SJD) and Women and Child Department(WCD) for the care, protection and rehabilitation of children, disabled, women and aged. Out of this, 33 institutions are for children, 20 for women, 12 for aged people and 13 for disabled. These social welfare homes provide food, shelter, security and other basic necessities to the inmates of these homes. The major initiatives set up by the government are to support the poor, the developmentally challenged, and other disadvantaged groups. But there has been a growing demand that the approach to social

security programs and schemes should progressively shift to a rights-based framework and should not be viewed merely from a welfare prism.

As a result, the Institutional care of weaker and deprived groups of people form an important area for the social welfare programs of Kerala. As part of this program The District Administration along with the Social Justice, Women and Child Department with the concerned development officers has planned to implement a project called Happy Hill. These activities will be supported by the Happy Hill monitoring committee chaired by District Collector along with the superintendent of welfare homes. Hereafter, all the initiatives will be monitored by the 1st party along with the other committee members.

2. AIM

To provide comprehensive care and development to the inmates through an integrated approach towards empowering the weaker sections, through convergence of existing services, resources, infrastructure and manpower in all-related sectors with the ultimate objective of changing the lives of the ones who are in need of care and protection.

3. OBJECTIVES

1. To understand the requirements and give comprehensive care and support to the inmates of the welfare homes, by collaborating with the reputed educational institutions in Kozhikode.

2. To understand and act upon the needs of the institution like providing vocational training for self-employment and to create comfortable living spaces in welfare homes by tapping CSR potential.

3. To re-integrate the inmates into the community thereby ensuring the rights and dignity of the individual.

ACTIVITY 1: Water Bodies Mapping

Need of the Activity:

The state water resources department has launched an ambitious project to prepare digital maps of all 44 rivers in the state and feed them on to a geographic information system (GIS)-based platform. The aim is to create remarkable decision support system to develop an integrated, sustainable and long-term water conservation and management plan for the state, which is increasingly vulnerable to droughts and drinking water shortage. So, we decided to participate in this tremendous task.

Brief Description:

The MSW students of the St. Joseph's College, Devagiri have decided to participate in the water resources mapping programme in one of the adopted villages in collaboration with a leading NGO of the Calicut district. The students from the college visited the place Cheruvannur, Kerala on 21st June 2022 and attended a meeting with the Panchayat members and understood the procedures in water resources mapping. After the meeting, the students went to various parts of the village and collected the information related to it.

ACTIVITY 2:

Title of the Activity: WINGS OF HOPE

Need of the Activity:

From the interactions with the panchayat members and from the sum result of the village survey we understood that there is a high dropout rate among students in the tribal community. Therefore, the college has decided to assist tribal students in their journey towards education.

Brief Description:

The Naval NCC Cadets of St. Joseph's College, Devagiri have decided to assist tribal students in their journey towards education. As per the request from the students of the colony of the adopted village, the Naval NCC cadets decided to provide stationery items to the tribal students of Pulpally Panchayat, Thazhekappu Colony.

On 03/07/2022, under the banner of 'WINGS OF HOPE', the Naval NCC Cadets of St. Joseph's College Devagiri visited Thazhekappu colony of Pulpally village in Wayanad and provided school necessities to the students. The ward member of the Panchayat inaugurated the program.

The Cadets along with Social Work coordinator Mr. Alan Joy interacted with the students and had a cultural session. The aim of the project was to provide assistance to those most in need of these. Rates of those attending school regularly is very low among children of the village. We hope that this small effort will motivate these children to attend classes regularly and excel in education.

ACTIVITY 03: Drug abuse campaigns at various places in the adopted villages (29, 30, 31 October and November 01, 2022)

Need of the Activity:

From the last Grama Saba meeting held at the adopted villages, we came to know that drug abuse among youth is a major concern of the community people because it has serious negative consequences on their health, education and overall well-being. From the interactions with the teachers in the schools of adopted villages, our students found that the drug abuse could interfere with school or work, as well as relationships with friends and family. In addition, drug abuse is linked to a variety of social problems, such as crime, domestic violence, and child abuse. In this scenario, awareness against drug abuse plays an important role.

Brief Description

Raising awareness about the dangers of drug abuse is important because it can help youngsters to make informed decisions about drug use and encourage them to seek help if they are struggling with substance abuse. By keeping this in mind, various education campaigns and community events were organized at the various places of the adopted villages.

1. An awareness rally was organized from Pulpally Panchayat Office to Pulpally Bus Stand followed by a Street-Play which was intended to promote awareness against drug abuse.
2. An awareness rally followed by a Street Play to create awareness on Drug Abuse was conducted at Thazhekappu Colony with the students of GLP School Mundakuttikkunnu, Pulpally.
3. The next activity related to it was a visit to Kripalayam Special School and formed a human chain by both the students of college and the students of Kripalayam Special School against Drug abuse followed by a Street-play.

ACTIVITY 04: Awareness class on good touch and bad touch (02/11/2022)

Need of the Activity:

From the interactions with the village people, we came to know that the tribal students are lacking knowledge in various topics that is essential for their day-to-day life activities.

Brief Description

Conducting awareness campaigns in the villages with the help of students and government officials was one of the activities planned in the Gram Sabha meeting. Through awareness campaigns, we can provide accurate and up-to-date information about the risks and consequences of the problems facing by the community people. This can help people make informed decisions about the issues and encourage them to seek help if they are struggling with any kind of issues. By keeping this in mind, an awareness class on good touch and bad touch was conducted for the students of the GLP School Mundakuttikkunnu, Pulpally by the college students. By this Awareness class, we helped students to reduce stigma by promoting a more understanding and compassionate approach to this topic and at the end, we provide information about where to find help for such kind of issues if happens. This can make it easier for the students to access the help they need**.**

ACTIVITY 05: A craft making tutorials for students (31/10/2022)

Need of the Activity:

From the Gram Sabha meeting we got a suggestion that the students should have some activates which they can do in their leisure time. In this, we planned to conduct some craft tutorials in the surrounding schools in the adopted villages.

Brief Description:

A craft tutorial for the tribal students of the Devi Vilasam Vocational Higher Secondary School, Veliyambam. Pulpally was organized by the students of St. Joseph's College (Autonomous) Devagiri. In this, the students were taught to make paper bags, paper pens and paper flowers.

ACTIVITY 06: Computer Literacy programme (01/11/2022)

Need of the Activity: At the time of Gram Sabha, there was a demand from the side of village people that the tribal students are getting laptops from the government but many do not know how to use it. Therefore, they demanded for a computer class for the students and from the interactions with them, we came to know that there is lack of computer and English proficiency among villagers especially among women. Therefore, we planned accordingly.

Brief Description:

The students from the college visited these places and found outed the students and organized Tutorial sessions on the use of laptops to the tribal students from the adopted villages. In this tutorial the topics like how to use laptops, the fruitful use of laptops in their studies, how to connect internet to it and how to search various topics using desktops were discussed.
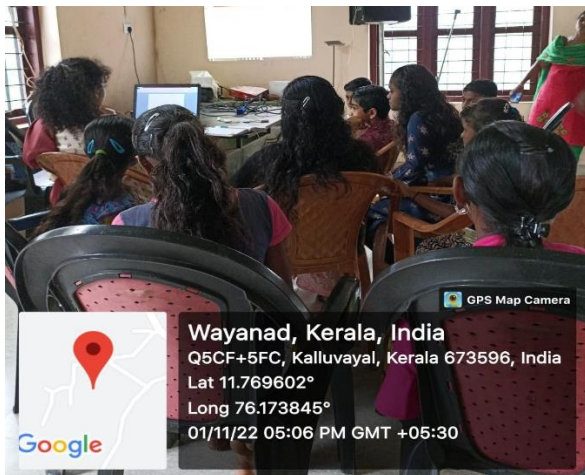

**ACTIVITY 07: Health Survey and Medical Checkup camp (31 Oct, 1&2 Nov 2022)**

Need of the Activity:

To understand the health condition of the village people students conducted a survey among the villagers of the adopted villages. For this, they have organized a medical checkup camp to.

Brief Description:

Students from the college visited houses of the village people and conducted a survey to understand the health condition of the villagers. In addition to this, a Medical Checkup camp was organized at Paikamoola colony in association with the biochemistry students of Pazhassiraja College where blood sugar level, blood group and blood pressure levels was monitored.
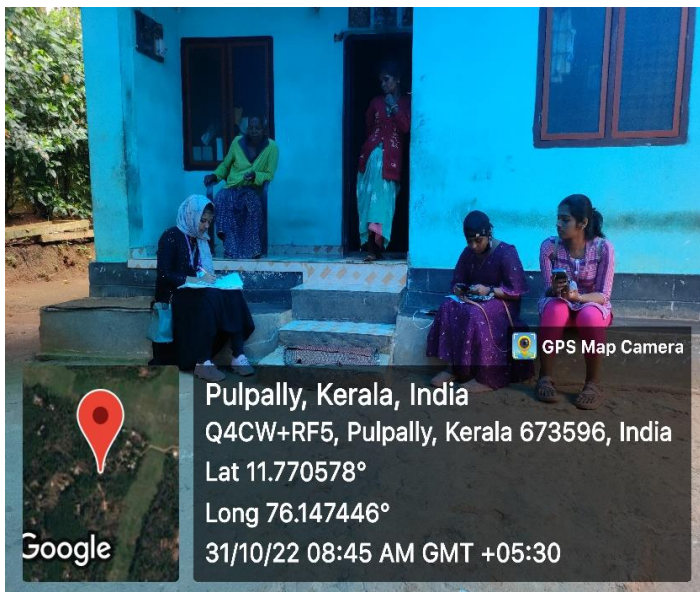

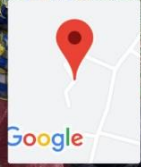

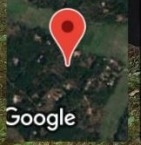

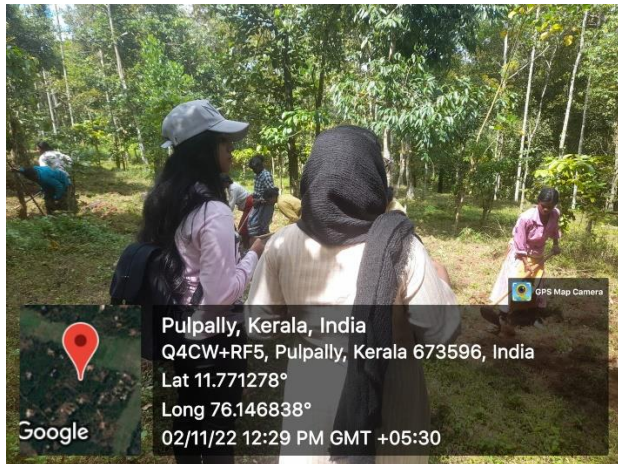

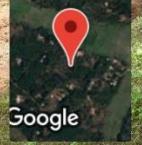

St. Joseph's College (Autonomous), Devagiri
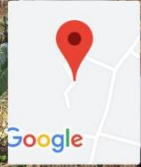

ACTIVITY 08: Training in farming and making a small vegetable garden at the school premises in the adopted village (02/11/2022)

Need of the Activity:

At the time of Gram Sabha there was a demand for the vegetable garden for the students from the Asha worker of the Ward – 10 of Pulpally panchayat. Gardens help students to make the connection between growing food and good diets, develop life skills and increase environmental awareness.

Brief Description:

By involving the students from the GLP School Mundakuttikkunnu, Pulpally we made a vegetable garden at the school premise. It was a novel experience to the students and many students actively participated in this making process. Students showed interest in the farming and we selected some students to look after it.

ACTIVITY 09: Preparation of a playing space for the students of the GLP School Mundakuttikkunnu, Pulpally. (02 & 03 Nov 2022)

Need of the Activity:

During the time of Gram Sabha meeting conducted by the initiative of UBA cell of college there was a serious discussion on how students can productively spend their leisure time. Then there was a suggestion of spending their time in sports. But the sports facilities like playgrounds and playing equipment were not available. Then after discussion, the college has decided to prepare a playing space for the students of the GLP School Mundakuttikkunnu, Pulpally.

Brief Description:

The students from the department of Social Work visited the school and found a place for making their playing area and the students cleaned the area. After cleaning some sports equipment were installed there. Then the walls of the playing space were painted and the students from the college added some colorful pictures, which made the playing space more attractive.

**ACTIVITY 10: Workshop on paper bag making (31/10/2022)**

Need of the Activity:

Introduction and training of some income generation means was an expressed need of the community people in the adopted villages.

Brief Description:

Workshop on paper bag making was an initiative by STARS NGO Calicut in collaboration with Malayala Manorama daily. UBA Cell of St. Joseph's College (Autonomous) Devagiri tied up with them in this initiative and provided training in paper bag making. Interested persons from the adopted villages participated in this workshop. In this workshop, how to make paper bags, the possibilities of selling them and how to collect row materials for these were discussed and the training were mainly focused in it. The workshop was conducted at Devagiri College and participants from the nearby villages participated in this workshop.

ACTIVITY 11: Career Guidance class (31 Oct & 03 Nov 2022)

Need of the Activity:

Students from these adopted villages demanded for a career guidance session. This can help students make informed decisions about their careers, leading to greater satisfaction and success.

Brief Description:

The students from the department of social work conducted a career guidance sessions for the students from these villages. In this session, various career opportunities were discussed. In this, major exams that they can attend during these times were informed to students and how to prepare for them.
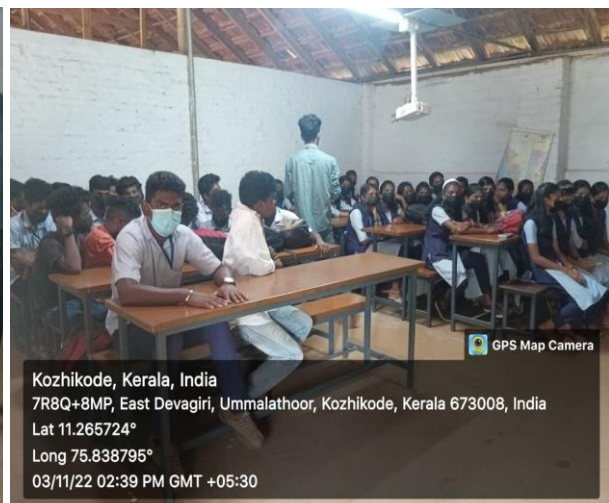

ACTIVITY 12: Menstrual Hygiene class

Need of the Activity:

From the health survey that we conducted in the adopted villages, we came to know that in some area many are ignorant in Menstrual Hygiene. Therefore, we decided to conduct Menstrual Hygiene class for the students in various schools in these adopted villages**.**

Brief Description:

Undoubtedly, period awareness has increased in urban are: with more women opting for sanitary pads rather than cloth, and not only women; people, in general, have developed a better understanding of menstruation in metro areas. However, in the rural area the case is different. Therefor we planned to give an awareness class on the topic of menstrual Hygiene class. Students from the department of Social Work delivered awareness class and they have demonstrated how to handle periods safely and hygienically. This kind of awareness help them to become emotionally and physically ready to face these situations.
