## Programme Outcome

<b>POs</b>	<b>PROGRAMME OUTCOMES</b>
PO1	The design of the programme is intended to understand a comprehensive view of the subject matter of economics.
PO2	The diversity of courses included in the programme makes the student understand the diverse nature of economic theories.
PO3	The Introduction of more quantitative course will help the student to acquire the fundamentals of economic model building.
PO4	A blending of the financial and public economics with core courses makes the student to face the real life situations of banking, share markets, budgetary practices etc.
PO5	To imbibe the student a new vision in economic studies by creating research content in every course.
PO6	The proposed project report in the syllabus will inculcate the students a practice of real research.
