Report

Global parents day is observed on the first of June globally. This day is an annual event that celebrates the importance of parents in children's lives. The main purpose of conducting this programme is to promote understanding and appreciation for the role parents play in their children's lives. It also aims to raise awareness about the importance of quality parenting and family life. Today's generation are not aware of the previous generations. They remain idle in their houses and the young generation are having a tendency to put them in old age homes. Whatever they had earned in their entire young life time is utilized for the growth of their offsprings. In their old age nobody is there to take care of them. So this programme gains much importance as it gives an awareness to the students of the need of respecting their parents.

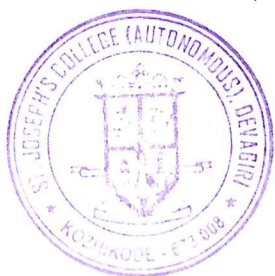

The resource person of the day was a parent whose child studies in the institution – Mr. Shivichan Pookombil. Through narrating a story of his life, he very easily explained how each parent looks after his child, as for every parent, the child is their most precious gift and nobody will be ready to lose that precious valuable gift. This was the message passed to the students by him.

Nearly 75 students of the army battalion of St. Joseph's College (Autonomous), Devagiri participated in this session. Mr. Jino V Jose, NCC Army, St. Joseph's College (Autonomous), Devagiri rendered the vote of thanks.

Report

As part of World Environment Day, **the two units of NSS in Devagiri College** organized a programme of green themes. For this they arranged different varieties of saplings and distributed them to the residence association of Medical College. It was a combined effort with the local people. The students also cleaned the premises of their own college and planted different saplings. They also provided a rally to promote the awareness of the need to go green among the residents.

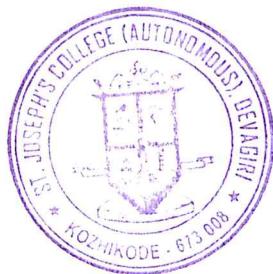

All the students in NSS took part in this venture which helped and inculcated in their mind an attitude to preserve their own environment from issues of global warming, scarcity of water etc.

The programme was inaugurated by the principal of the college Dr. Bobby Jose. **Every volunteer of NSS** was given an opportunity to plant a tree. The programme came to an end by the vote of thanks delivered by Mr. Robin Xavier, NSS Co-ordinator of the college.

Report

World Environment Day 2022 is the biggest international day for the environment led by the United Nations Environment Programme (UNEP) and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. World Environment Day 2022 is hosted by Sweden “Only One Earth” is the campaign slogan with the focus on “Living Sustainability in Harmony with Nature”. This year, the environment day in the college was celebrated by taking part in **Swatch Bharath Harit Bharath Green Programme initiated by Govt. of India**. This was done to create awareness among the citizens of India about the need for reducing the use of plastics and protecting the environment. As such the **members of Bhoomithra Sena club** took the oath to preserve their environment. The students cleaned the campus premises and as part of this scheme ‘Go Green’ campaign was also conducted.

The need for environment sustainability and what the students can do during their college days were explained by the faculty of Zoology department Dr. Vineesh P.J. also the manager of the college, Fr. Biju Joseph planted ‘Lakshmitharu’- an ayurvedic medicinal plant in the college. The meeting concluded with the discussion of future plans on beautifying the campus with greeneries.

Report

Blood has always been one of the basic necessities of human life. Blood transfusion plays a vital role in saving the life of those patients needful transfusion. Ignorance, fear and misconception about blood donations and lack of voluntary blood donation societies are the major limitations.

In this regard the present programme was designed to educate the higher secondary children of a school and parents about blood donation. As part of a social extension programme, **22 Volunteers of Devagiri blood donation forum organized an awareness campaign on June 21st, 2022. The beneficiaries were the students and parents of Govt higher secondary School, Parambil Bazar, Calicut. This programme was organized in collaboration with Malabar Hospital, Eranhipalam, Calicut.**

The programme was inaugurated by the Principal of the college, Dr. Bobby Jose. A medical team of Malabar Hospital arranged a provision for collection of blood to blood banks from those who were ready to donate blood. Devagiri Blood Donation Forum, Coordinator Dr. Jisha Jacob together with the student members of the club organized the programme. This programme benefited a lot because unless proper awareness is given, volunteer Blood Donation will not happen according to requirement. Blood donors who volunteer to donate blood without getting paid are an important resource of a community. Therefore, this programme will definitely bring a positive impact. The programme came to an end by the delivering of Vote of thanks by Mr. Premkumar, PTA Secretary, Govt. Higher Secondary School, Parambil Bazar, Calicut.

Report

Mosquitoes are really dangerous as it results in spreading several diseases like: Dengue fever, Malaria, etc. So to keep the places clean and tidy is the most important precaution that can be taken to prevent mosquito hunting. Therefore Devagiri College decided to organize an awareness campaign among the school students as it is the best method to spread the message to each household.

The NCC Army Wing organized a campaign on 28th May 2022 and the students of **Devagiri CMI Public School (plus two) and Savio Higher Secondary School** were selected. A talk on the need and methods of eliminating mosquitoes were explained by the Army Wing of Devagiri. The students were asked to spread this message in their locality. Student cadets who have already secured training on medical aids and health hygiene volunteered the entire sessions. The message was passed to more than 1000 students. **27 Cadets of the NCC Army Wing Volunteered** for the Program. Capt. Binoy Varakil, Associate NCC Officer of Devagiri College together with the NCC volunteers of Army Wing led the programme.

Report

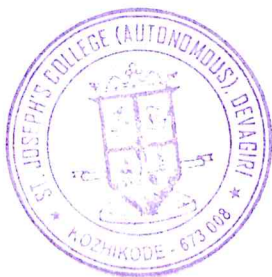

A one day **medical camp** was organized by the **Women Cell** of St. Joseph's College, Devagiri in association with **Malabar Eye Hospital, Eranjipalam**. Actually it was an initiative taken by the Women Cell to bring about awareness among the public on health check-ups. **24 students of the Women Cell** volunteered for the Program. It is very much essential to have health check-ups once you cross the age of 35. So the Women Cell of Devagiri arranged a free medical camp for the residence association of Devagiri where they can check their ECG, Blood Sugar, BP, Pulmonary function test and BMI freely. The medical check-ups will be conducted by the doctors and nurses of Malabar Eye Hospital and they will be filing the report of the residents a lot. The medical camp leader was Dr. Mini of Malabar Eye Hospital.

The medical camp was inaugurated by Dr. Mini, Malabar Eye Hospital, Eranjipalam. Dr. Bobby Jose Principal of St. Joseph's College, Devagiri presided over the inaugural function. Dr. Aswathi P. spoke to the audience, the reason why they have organized such a programme. Finally the inaugural function came to an end by the vote of thanks of Dr. Jisha Jacob, the Co-ordinator of Devagiri Women's Cell. The camp was a grant success as it benefitted more than 90 residents of Devagiri North.

Report

A veteran oceanographer Sylvia Earle said that “with every drop of water you drink, every breath you take, you are connected to the sea. No matter where on Earth you live”. Covering over two thirds of the planet's oceans are vital for all life on earth. Supplying 70% of all the oxygen in the atmosphere regulating the planet's climate and providing the food and livelihood of over 3 billion people, to say that oceans are important is an understatement to say the least. So the question arises- why are we humans so careless and reckless with what is essentially the life source of us all? In a nutshell, humans have believed that the vast oceans are invincible and its resources simply there for the taking. But unsurprisingly, this attitude has taken its toll with the most devastating consequences. So **57 students from NSS** units of St. Joseph’s College, Devagiri organized a Swachh Sagar Surakshith Sagar campaign with the intention of preserving our sea. As part of this campaign, the volunteers of NSS units cleaned the Kozhikode beach premises. They collected all the wastes and the plastic wastes were handed over to the Niravu organization. It was a combined task and it inculcated a sense of belongingness in the mind of students.

This **social extension programme** started with the welcome speech of Mr. Robin Xavier, NSS Co-ordinator, St. Joseph’s College, Devagiri. Dr. Bobby Jose, Principal, St. Joseph’s College, Devagiri presided over the function. The inauguration of this programme was done by the Kozhikode Collector Ms. Beena Philip and she recited the oath of Swachh Sagar Surakshith Sagar for the students. Every student took this oath and they took it as their responsibility. Fr. Anto N.J., Vice Principal of the College gave the facilitation speech. The students cleaned up with the vote of thanks of Ms. Neethu Baby, NSS Co-ordinator, St. Joseph’s College, Devagiri.

Report

The NSS units (16 & 100) of St. Joseph's College, Devagiri organized a **Social Extension programme** to benefit the public. They organized a **Blood Donation Camp in association with Govt. Women & Children Hospital, Kottaparamba and HDFC Bank**. The Blood Donation Camp started by 09.00 am after the inauguration by Dr. Bobby Jose, Principal, St. Joseph's College, Devagiri. The entire blood collection units were set by the staff of Govt. Women & Children Hospital, Kottaparamba. The expenses were met by HDFC Bank. The NSS volunteers together with the other students of the college donated 42 units of blood to the blood bank of Govt. Women & Children Hospital, Kottaparamba. The blood donor's forum of St. Joseph's College, Devagiri also supported this venture.

The blood donation camp was organized with the aim of a happier and longer life. People usually donate because it feels good to help others and altruism and volunteering have been linked to positive health outcomes, including a lower risk for depression and greater longevity. The purpose of blood donation camp was to select a suitable donor whose blood is safe to the recipients and who himself shall not in any way be harmed by blood donation. With this intention the 42 students of Devagiri College were able to serve the society by donating 42 units of blood. The camp ended up by the vote of thanks rendered by the NSS co-ordinator Ms. Neethu Baby.

The College organized a 'Gandhi Service Week' as part of the Gandhi Jayanthi Celebration which is being held to commemorate the birthday of the Father of Nation. The NSS wing of Devagiri College organized a Social Extension in association with Gandhi Service week. The volunteers opted to clean the campus and the premises of Medical College, Calicut. Also the volunteers emphasized the theme of a plastic free environment and so the main attempt of the programme was to collect the plastic waste from the premises of Medical College. On the first day the drive was in the college itself. Together with the NSS volunteers, the entire students of the college and teachers participated in the clean campus drive. From 2nd day onwards the NSS volunteers started cleaning the premises of Medical College and handed over the wastes to Kudumbasree. Next day, the drive was to clean Calicut Beach. This drive created an awareness among the students of serving the society and the need for keeping their environment clean. **68 students (NSS volunteers) took part in this activity.**

Report

October is Breast Cancer Awareness month, an annual campaign to raise awareness about the impact of breast cancer. Breast Cancer Awareness Month Campaigns help teach the signs and symptoms of breast cancer and ways of prevention, including how to perform a self-exam, how to access proper screening and the importance of regular mammograms. The three pillars towards achieving these objectives are health promotion for early detection, timely diagnosis and comprehensive breast cancer management.

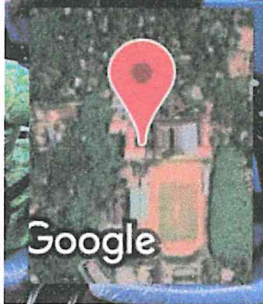

34 cadets of NCC Navy were given the responsibility to conduct this programme. The residence association of Medical College North was invited to attend this talk. Also the students supplied pamphlets on cancer awareness to the residence association. This programme was conducted as part of Breast Cancer Awareness month. The awareness campaign was led by Dr. Dinesh Makuni, Head of the Dept., Radiation Oncology, MVR Cancer Centre & Research Institute.

This life skill and social extension programme was presided over by Dr. Bobby Jose, Principal of the College and inaugurated by Dr. Dinesh Makuni, Head of the Dept., Radiation Oncology, MVR Cancer Centre & Research Institute. Felicitation speech was given by Dr. Aswathy P., Women Cell Assistant Coordinator and Fr. Dr. Sunil Jose, Vice- Principal, St. Joseph's College, Devagiri. Dr. Jisha Jacob welcomed the gathering and Fr. Anto N.J., IQAC Director rendered the vote of thanks. **This campaign benefitted nearly 38 residents of this North ward. Also 30 students participated in this programme.**

Report

Few people deny the dangers of drug use, while many teens are curious about drugs. They should stay away from drugs because drugs affect our health, lead to academic failure and jeopardizes safety. Drugs are used for a long period of time in many countries. The concentration of drugs has increased from the late 1960s and 1970s. Drugs can quickly take over our lives. Friends and acquaintances have the greatest influence of using drugs during adolescence. Drugs are chemicals that change the way a person's body or mind works. Drugs are not good for health as they have many side effects and damage our brain, heart and other important organs. So it is important to give usage. It is the teenagers who are mainly involved and influenced by these toxic materials. So it is the responsibility of each citizen to fight against the ill effects of the usage of these types of illegal items. As such the **Women Cell of St. Joseph's College, Devagiri in collaboration with Kerala State Women Development Corporation (KSWDC)** organized a flash mob and an awareness campaign on no to drugs. The flash mob was conducted in different venues such as Mofussil Bus Stand, KSRTC Bus Stand and Mananchira Square where the public always assembled. Together with the flash mob a talk on the ill effects of the consumption of drugs was explained by Ms. Sharmila C., Kerala State Women Development Corporation (KSWDC), Calicut Zone Coordinator.

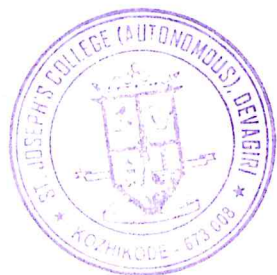

This social extension and awareness programme was inaugurated by Ms. Sharmila C., KSWDC Co-ordinator. Ms. Jisha Jacob, Women Cell Co-ordinator of the St. Joseph's College, Devagiri also delivered a speech on the impact of drug use of drugs. Ms. Vishnupriya M.K. of 3rd Semester BSc Botany (Women Cell Student Representative) led this campaign. A green flag release was done by the Principal of the college Dr. Bobby Jose. **More than 32 students participated** in this social extension programme and lots of the public benefitted by this activity.

Report

As part of Kerala Piravi Day Celebration, the students of Devagiri decided to arrange an anti-drug human chain creation with an aim to create awareness among the youth regarding the need for stopping the usage of drugs which are very much toxic to health. It is the teenagers who always fall into the trap of these illegal activities. So it was viewed that it is high time to arrange an awareness programme and the best part of this programme is that it was organized on the birth date of Kerala. Kerala people should be able to preserve their rich culture and traditions and those good cultures should be carried forward to the next generation. For that the young generations should be more aware of all the young generations should be made aware of all the negative evils in the economy.

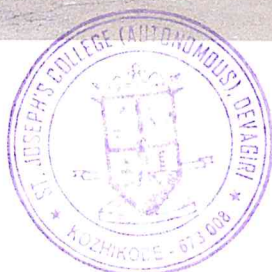

An **anti-drug human** chain creation was arranged in the Medical College round by the students of St. Joseph's College, Devagiri. The programme was organized in collaboration with the NSS & NCC units and the Anti-Drug Cell. The main coordinator was Dr. Soumya Vargheese, Anti-Drug Cell Co-ordinator and the sub co-ordinators were Mr. Robin Xavier, NSS Co-ordinator & Dr. Shinto Mathew, NCC Naval Wing Co-ordinator. Dr. Soumya Vargheese welcomed the gathering. Fr. Biju Joseph the Manager of St. Joseph's College, Devagiri presided over the function. Dr. Bobby Jose the Principal of the college inaugurated the programme. Dr. Wilson Rockey and Fr. Dr. Sunil Jose the Vice-Principals of the college rendered felicitation speech. Once the chain was formed Dr. Soumya Vargheese, Coordinator of Anti-Drug Cell gave the pledge and oath taking was led by her. Later speech on 'no drug use' was led by Mr. Binoy Varakil, NCC Army Co-ordinator; Mr. Shinto P. Mathew, NCC Naval Coordinator; Ms. Neethu Baby, NSS Co-ordinator and the college Superintendent Mr. A.C. Shaji. Lots of outsiders also joined this chain and made this campaign a grand success. **More than 80 students of the college**

Report

On 22nd November 2022, as part of SMRITHI 2K22, a **Poster Making Competition** was organized at **St. Joseph's College, Devagiri**, to commemorate Organ Donation Day and raise awareness about organ donation. The event was followed by an exhibition showcasing the posters created by the participants.

The event was inaugurated by Dr. Bobby Jose, Principal of St. Joseph's College, Devagiri, who emphasized the significance of organ donation and encouraged active participation in the competition.

The competition took place from 12:50 pm to 01:50 pm at St. Joseph's College, Devagiri. Participants, including students from the organizing institution and other institutions, were tasked with creating posters that highlighted the importance of organ donation and encouraged the public to pledge to donate organs.

The posters were judged by Mr. Robin Xavier and Dr. Asha Mathew, who evaluated the creativity, message clarity, and visual appeal of each entry. Fr. Biju Joseph and Dr. Ishaq M. distributed prizes to the winners of the competition, acknowledging their efforts in raising awareness about organ donation through their artwork.

Following the competition, an exhibition of the posters was held from 03:00 pm to 05:00 pm, allowing students and the public to view the artwork and learn more about organ donation.

Report

On 25/11/22, in observance of **NCC Day 2022**, a dedicated cleanup activity was **organized at the Govt. Mental Hospital located in Kuthiravattom**. The initiative aimed to enhance the cleanliness and hygiene of the hospital's campus while also fostering community engagement and promoting the spirit of service among participants. Prior to the event, coordination meetings were held between NCC officials, hospital administrators, and volunteer groups to plan logistics and allocate tasks. Necessary cleaning supplies, equipment, and safety gear were procured. Dr. Sudheesh Kumar, Senior Consultant, Govt. Mental Hospital, Kuthiravattom warmly welcomed the attendees. Mr. Mohan Kumar, Ward Councillor, St. Joseph's College, Devagiri has given keynote address. Mr. Binoy Varakil, NCC Army Wing Co-ordinator, St. Joseph's College, Devagiri has given felicitation on this aspect. Teams conducted thorough cleaning of various areas, including outdoor spaces, hallways, patient wards, restrooms, and surrounding grounds. Activities included litter and debris removal, sweeping, mopping, weeding, and general maintenance tasks. Special attention was given to waste management and recycling efforts to minimize environmental impact.

The campaign was **beneficial for the patients and staff** related to Govt. Mental Hospital, Kuthiravattom. The program concluded with a vote of thanks proposed by Dr. Shinto P. Mathew, NCC Naval Wing, St. Joseph's College, Devagiri. The cleanup activity at Govt. Mental Hospital, Kuthiravattom, as part of NCC Day 2022 celebration, was a resounding success. Through collaborative efforts and community participation, significant improvements were made to the cleanliness and appearance of the hospital campus. Moreover, the event served as a meaningful opportunity to promote mental health awareness, environmental stewardship, and the values of service and solidarity embodied by the National Cadet Corps.

Report

Awareness on breast cancer aims at teaching people how to identify the symptoms and how to go for treatments etc. Usually when people hear about these types of diseases they panic, so it is the responsibility of others to make the patient feel comfortable. Breast cancer awareness campaigns help teach the signs and symptoms of breast cancer and ways of prevention and detection. **The women cell of St. Joseph's College, Devagiri organized this session for the female students of UG first years.** The welcome speech was given by Ms. Jisha Jacob, Women Cell Co-ordinator of St. Joseph's College, Devagiri. The official function was presided over by Fr. Biju Joseph, Manager of St. Joseph's College, Devagiri. The programme was inaugurated by Dr. Bobby Jose, Principal of the college. The chief resource person of the day was Dr. Sreelaya P.P., District Convenor, Ayushmanbhava District Homeo Clinic. The classes were taken in detail and finally an interactive session was also arranged which helped the students to discuss in detail all their doubts related to this topic. It was so informative because the sessions were explained by showing slides and descriptions of senior consultants. The session ended with the vote of thanks of Dr. Aswathy P., Women Cell Assistant Coordinator, St. Joseph's College, Devagiri. **About 125 students participated in this Life Skill programme.**
